In line 2 of each of claims 33, 41 and 47 "the upstream" has been replaced with -- an upstream--.

In line 2 of each of claims 35, 40, 45 and 46 "the outside" has been replaced with --an outside--.

In line 2 of each of claims 34 and 42-44 "the upstream" has been replaced with -- an upstream--.

The following is an examiner's statement of reasons for allowance: Independent claim 17 and claims dependent therefrom (claims 18-25) remain distinguished over the prior art of record for reasons of record.

Independent claim 32 and claims dependent therefrom (claims 33-48) are distinguished over the prior art of record in view of recitation in claim 32 of "rectangular frame...each member having two opposite sides and at least four sides...at least two of the members having at least one side thereof that is tapered relative to the side that is opposite thereof".

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
